

# Endless Possibilities. Limitless Solutions.

## 4K AV Distribution and Management over IP

AV over IP just got a whole lot easier. Whether for a school, shopping mall, airport, or global enterprise, Kramer AV over IP solutions offer total flexibility with unlimited inputs/outputs and any source-display combination you can imagine. At any distance.

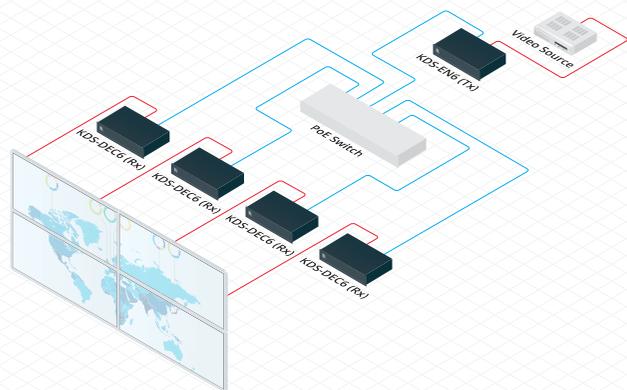

### Scalable AV Distribution

Leverage existing IP infrastructures with Kramer KDS-6 encoders/decoders, featuring 4K video streaming, built-in scaling and control signaling (RS-232, IR & USB).

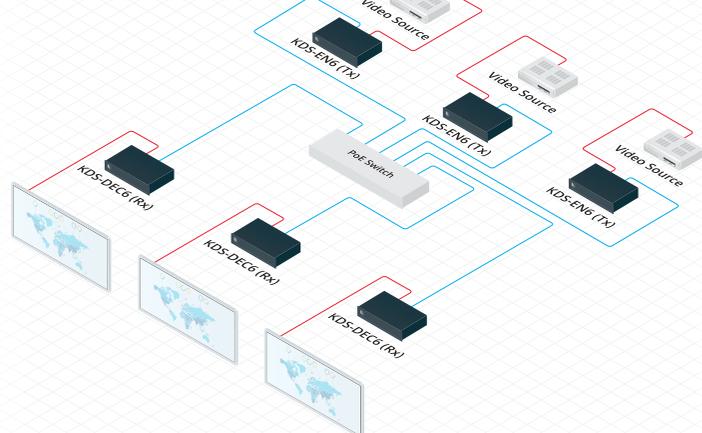

### IT-Friendly AV Management

Easily manage your AV distribution with Kramer Network's Virtual Matrix service. This powerful software platform manages the KDS-6 streamers, room environments and any additional AV device from any point on the IP network.
