

MEET THE FUTURE

Connect any device and gain endless meeting room possibilities thanks to Kramer Platforms, from web conferencing to in-room digital signage, streaming, room occupancy, and so much more.

With VIA Connect PLUS, you can do so much more than seamless presentation and collaboration. With our true BYOD solution, you can connect any wireless or wired device simultaneously. Using Kramer Platforms, it offers a wide range of built-in apps and functions, making it the centrepiece of your meeting space. The only thing that's left is easy integration and management. And it has that too.
