

Kramer VS-1616D Digital Matrix Switcher

We think you'll like our new cards.

Now with 4K and more variety than ever.

Kramer introduces all new 4K HDMI and HDBaseT cards and SDI, DisplayPort, Audio and Scaler cards for the VS-1616D, our high-performance modular multi-format digital matrix switcher. The VS-1616D supports CAT, copper and fiber cables and is the heart of the Kramer CORE™ line of products.

Kramer CORE™ offers a complete end-to-end solution for your AV network. With Kramer CORE products, you can mix multiple signal formats in a single system and distribute them using multiple cabling infrastructures, including HDMI, HDBaseT, DGKat, and fiber.
