

## PA-150 Quick Start Guide

This guide helps you install and use your product for the first time. For more detailed information, go to <http://www.kramerav.com/manual/PA-150> to download the latest manual or scan the QR code on the left.

### Step 1: Check what's in the box

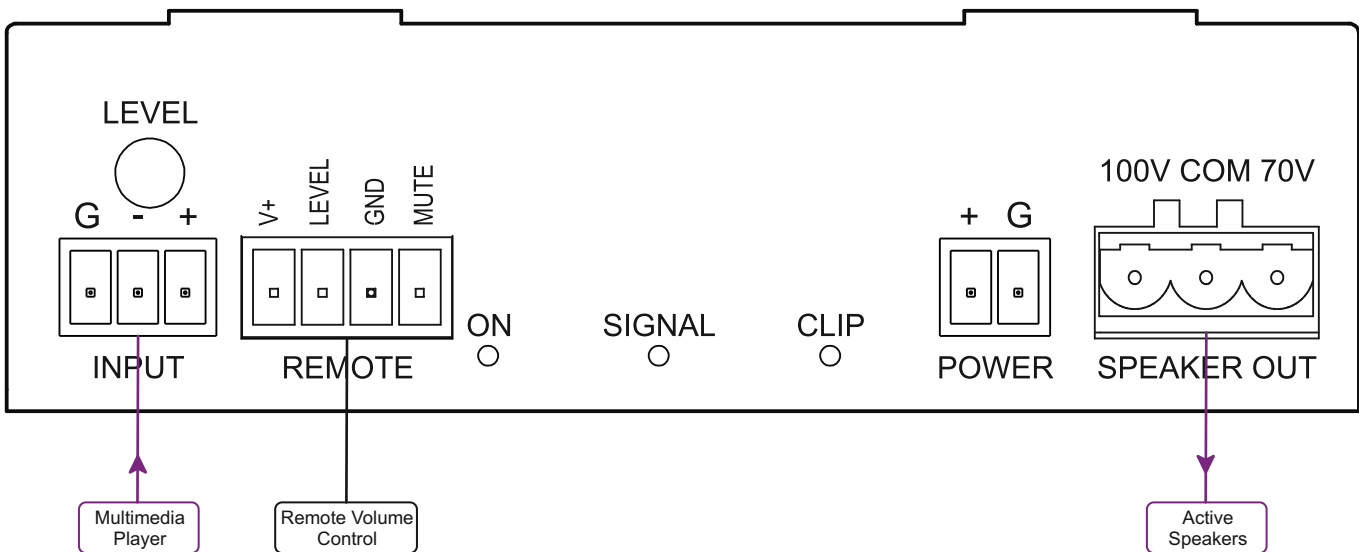

- ✓ The PA-150 50W Power Amplifier
- ✓ 1 Power adapter
- ✓ 4 Rubber feet
- ✓ 1 Quick start guide

### Step 2: Install the PA-150

Attach the rubber feet and place on a table.

### Step 3: Connect the input and output

Always switch OFF the power on each device before connecting it to your PA-150.  
For best results, we recommend that you always use Kramer high-performance cables to connect AV equipment to the PA-150.

### Step 4: Connect the power

Connect the power adapter to the PA-150 and plug it into the mains electricity
