SKIC Speaker Mounting Kit

Congratulations on purchasing your Kramer SKIC Speakers Mounting Kit which is used for securing in-ceiling speakers to the ceiling T-channel grid.

The back can speakers are supported by a C-ring and two tile rails\(^1\). When mounting onto the ceiling tiles\(^2\), use both supports. When mounting onto a sheetrock ceiling, the C-ring alone is used to reinforce the ceiling material.

The SKIC includes:

- Four support ring screws
- Two ceiling support rings (C-ring)
- Two pairs of tile rails

Installing the Speakers Mounting Kit

The SKIC is installed after cutting the opening in the ceiling tile for the speakers.

To install the SKIC, as illustrated in the example in Figure 1, do the following:

1. Place the C-ring over the hole cut in the ceiling tile (on the “ceiling” side). Place it around the hole so that the tabs are located in parallel to the tile edges.

2. Place the tile rails on the tile and snap them into the two tabs on the C-ring. Align the rails so that the ends extend over the T-channel grid.

3. Insert a screw through each tab on the C-ring to secure the rails.

4. Push the speaker into the ceiling hole until the front baffle rim is leveled with the ceiling.

5. Tighten the mounting tabs (see Figure 2). When tightening the mounting tabs, the tabs automatically turn outward, thus clamping the speaker to the wall from its rear side.

**Note:** Do not over-tighten the mounting tabs. It may cause damage to both the speakers and the surface.

**Specifications**

- **DIMENSIONS:** 21.6cm x 8cm (8.5” x 3.15”)
- **WEIGHT OF MOUNTING KIT (FOR PAIR):** 1.46kg (3.22lbs) approx.
- **SHIPPING WEIGHT (FOR PAIR):** 1.7kg (3.75lbs) approx.

---

1 The tile rails prevent the speakers from falling if the tile itself comes out or falls apart, as their ends catch onto the T-grid
2 Be sure that the tiles can support the speaker. Smaller sized tiles or fiberglass-type tiles cannot support the weight of the speakers. In such a case, the speakers will require additional support
WARRANTY

LIMITED WARRANTY
Kramer Electronics (hereafter Kramer) warrants this product free from defects in material and workmanship under the following terms.

HOW LONG IS THE WARRANTY
Labor and parts are warranted for one year from the date of the first customer purchase.

WHO IS PROTECTED?
Only the first purchase customer may enforce this warranty.

WHAT IS COVERED AND WHAT IS NOT COVERED
Except as below, this warranty covers all defects in material or workmanship in this product. The following are not covered by the warranty:
1. Any product which is not distributed by Kramer, or which is not purchased from an authorized Kramer dealer. If you are uncertain as to whether a dealer is authorized, please contact Kramer at one of the agents listed in the Web site www.kramerelectronics.com.
2. Any product, on which the serial number has been defaced, modified or removed.
3. Damage, deterioration or malfunction resulting from:
   i. Accident, misuse, abuse, neglect, fire, water, lightning or other acts of nature
   ii. Product modification, or failure to follow instructions supplied with the product
   iii. Repair or attempted repair by anyone not authorized by Kramer
   iv. Any shipment of the product (cases must be presented to the carrier)
   v. Removal or installation of the product
   vi. Any other cause, which does not relate to a product defect
   vii. CARTONS, equipment enclosures, cables or accessories used in conjunction with the product

WHAT WE WILL PAY FOR AND WHAT WE WILL NOT PAY FOR
We will pay labor and material expenses for covered items. We will not pay for the following:
1. Removal or installations charges.
2. Costs of initial technical adjustments (set-up), including adjustment of user controls or programming. These costs are the responsibility of the Kramer dealer from whom the product was purchased.
3. Shipping charges.

HOW YOU CAN GET WARRANTY SERVICE
1. To obtain service on your product, you must take or ship it prepaid to any authorized Kramer service center.
2. Whenever warranty service is required, the original dated invoice (or a copy) must be presented as proof of warranty coverage, and should be included in any shipment of the product. Please also include in any mailing a contact name, company, address, and a description of the problem(s).
3. For the name of the nearest Kramer authorized service center, consult your authorized dealer.

LIMITATION OF IMPLIED WARRANTIES
All implied warranties, including warranties of merchantability and fitness for a particular purpose, are limited in duration to the length of this warranty.

EXCLUSION OF DAMAGES
The liability of Kramer for any effective products is limited to the repair or replacement of the product at our option. Kramer shall not be liable for:
1. Damage to other property caused by defects in this product, damages based upon inconvenience, loss of use of the product, loss of time, commercial loss; or
2. Any other damages, whether incidental, consequential or otherwise. Some countries may not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you.

NOTE: All products returned to Kramer for service must have prior approval. This may be obtained from your dealer.

This equipment has been tested to determine compliance with the requirements of:
EN-55081: "Electromagnetic compatibility (EMC); generic emission standard.
EN-55082: "Electromagnetic compatibility (EMC); generic immunity standard.
Part 1: Residential, commercial and light industry"

CAUTION!
Servicing the machines can only be done by an authorized Kramer technician. Any user who makes changes or modifications to the unit without the expressed approval of the manufacturer will void user authority to operate the equipment.

Use the supplied DC power supply to feed power to the machine.

Please use recommended interconnection cables to connect the machine to other components.
