Congratulations on purchasing your Kramer T-2INSERT Optional Insert Kit. The T-2INSERT Optional Insert Kit lets you add 2 more inserts to the TBUS configuration instead of a power socket, thus providing you with additional design flexibility.

**Installing the T-2INSERT Optional Insert Kit**

**Step 1**: fit the T-2INSERT into the TBUS frame opening.

**Step 2**: fasten the T-2INSERT to the TBUS frame with the two screws.

**Step 3**: optionally, change a panel of the T-2INSERT, by removing the two screws from the panel.
