

Passive Wall Plate Device: **WXA-H**

Congratulations on purchasing your Kramer **WXA-H** passive pass-through Wall Plate Insert that is available in three versions: (i) for Belgium and Germany, (ii) for the UK and the rest of Europe, (iii) for the United States and (iv) US-D size wall plates.

The **WXA-H** is a one gang wall plate insert with a pass-through connector for:

- PC (UXGA) on a 15-pin HD computer graphics video connector
- Unbalanced analog stereo AUDIO on a 3.5mm mini jack
- HDMI (female) at the front and a cable and female HDMI connector at the rear

Destination: Belgium and Germany

Destination: England and Europe

Destination: United States

The **WXA-H** one gang insert can be fitted into a DECORA® design frame (supplied in selected models):

DECORA® is a registered trademark of Leviton Manufacturing Co., Inc.
