KRAMER

Release Notes

Modifications:

Modification Description	
Users	
	Add User > **User Role**, added **Office** drop-down.
	Add User, removed password option. User creation is done by email activation. Admins can now add user ID and email. An activation link is sent to the user.
	Edit, added options: **Account Status**, **Active** and **Inactive**. For **Inactive**, added a new tool tip – **Send a reminder email to the user**. To send an email to the user with registration details, click **Inactive**.
	Edit, removed password option. Forgot password can be used to reset the password, or admins can set a password for the user.
Calendars	
	In **Calendars** > **Calendar Account,** if a calendar is associated with any device, then the **Delete** button is disabled.
	In **Calendars** > **Calendar Account,** added **Office** column.
	Added **Google**, **Office 365,** and **MS Exchange** icons, instead of *text* only.
Locations and Spaces	
	Removed **Group** tab.
	Add Campus/ Add Building/ Add Floor/ Add Space, allows users to select template and wallpaper options.
	Edit Campus/ Edit Building/ Edit Floor/ Edit Space, allows users to select and, or change template and wallpaper options.
	If **Floor/ Space** has active devices, then the **Floor/ Space Delete** option is disabled and its parent location also shows the **Delete** icon as disabled.
	Removed **Group** tab.
	Add Campus/ Add Building/ Add Floor/ Add Space, allows users to select template and wallpaper options.
	Edit Campus/ Edit Building/ Edit Floor/ Edit Space, allows users to select and, or change template and wallpaper options.

Release Notes
